THE POTTERS ARMS

ABOUT US

Welcome to The Potters Arms, a warm and welcoming English-Nepalese pub where traditional British charm meets the bold and vibrant flavours of Nepal. We offer a unique dining experience with a menu that brings together both cultures. All dishes are freshly prepared using quality ingredients.

From comforting Sunday roasts and fish 'n' chips to fragrant curries and hand-crafted momos, there's something for everyone to enjoy. We pride ourselves on cooking everything fresh to order, which means we're happy to accommodate all dietary requirements - just let us know and we'll tailor your meal to your needs.
